Saturday, Sept. 29

Budapest - Oradea

Upon arrival, we'll be met at the airport & transferred to the Mission Center in Romania. Once we've settled in, there'll be the option to stroll the City Center to see some beautiful Eastern European architecture. Enjoy dinner at the center, followed by an orientation meeting for the week ahead. Spend the remainder of the evening at leisure. **^B, L, D**

Sunday, Sept. 30

Tileagd

This morning, worship will be held at the Tileagd Community Church, followed by a traditional lunch at the Mission Center. Next, tour a Residential Care Facility for the elderly, complete with a special facility for Dementia residents, as well as a Disability wing equipped with a Sensory Room, Hydrotherapy Pool & Activity Room. This facility provides a healthy, happy life for the elderly & disabled as well as those with Alzheimer's & dementia. Without this ministry, these people would receive little to no help from the Romanian government & be left to depend on family members for their care.

Next, visit the 50,000 sq. ft. greenhouse to learn about the ministry's self sustainability program. One hundred percent of the proceeds go directly to the ministry's programs like the medical clinics & family crisis center. **B, L, D**

Monday, Oct. 1

Oradea

In the morning, we'll visit a family outreach program that supports an impoverished community. The goal is to provide these families with the means to move from desperate situations of hunger, ill-health or unemployment to a life filled with hope, purpose, food & security.

Afterward, learn how the ministry is reaching out to Romania's homeless population. See nine shipping containers that have been transformed into a small village, offering housing for 50 people, hygiene facilities & a center for meeting & counseling. The ministry also supports those living in the streets, under bridges, in abandoned buildings & in fields with only a tarp for shelter. **B, L, D**

Tuesday, Oct. 2

Tileagd

Today, we'll get a glimpse of life in the Tileagd community. Due to extreme poverty, many people live in makeshift houses, without running water or basic sanitation. Dropout rates in Romania are extremely high due to poor educational quality & lack of motivation to stay in school. Children & teenagers need positive role models & interesting, innovative ways to learn course material. First, we'll stop by the Tileagd School & Nursery to see how these problems are addressed.

Next, visit the ministry's fully-equipped medical, dental & optometry clinics. The health centers offer free glasses to patients as well as a variety of tests & medicine.

Finally, visit the new assisted living facility in Tileagd that supports 38 residents. This state-of-the-art home is the first of its kind in Romania, offering care to those with disabilities & special needs. **B, L, D**

Wednesday, Oct. 3

Gepiu - Salonta - Tulca - Rapa

This morning, we'll visit the Gepiu community center, which holds afternoon lessons for children followed by a hot meal. Once a month, the elderly of Gepiu come together for lunch & fellowship. Next, head to the Elderly Care Center in Salonta to meet its residents.

Then, visit some communities in Tulca & Rapa where we'll meet the beneficiaries of new hygiene facilities, homes & most recently, a literacy program. **B, L, D**

Thursday, Oct. 4

Oradea - Salard - Budapest

This morning, we'll make our final visit to Oradea to see a medical/social center for the elderly. If time permits, we'll also visit a poverty-stricken community in Salard, where great progress has been made, but much work remains to be done.

After lunch, transfer to Budapest & check in to our hotel. Enjoy some free time to stroll along the Danube River before dinner on your own. **B, L**
